The
Kensington
Society

The Design Museum in Holland Park

Keeping Kensington a pleasant place to live, work and visit, that is the purpose of the Kensington Society.

As the society's founder stated 60 years ago: "The objects of the society are to preserve and improve the amenities of Kensington for the public benefit".

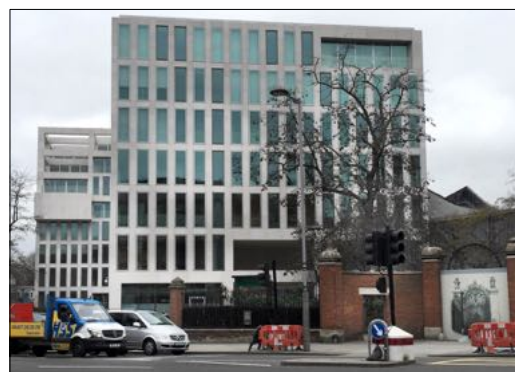

The Kensington Society strives to:

- promote good architecture and planning,
- protect, preserve and improve Kensington's buildings, open spaces, streets, public amenities and council services,
- stimulate interest in history.

We work with our members and the council to ensure that we do not lose what is cherished by us all.

Our members receive our annual report, email alerts and newsletters.

Our website informs about major building developments, new regulations and society events.

Our society events programme includes:

- AGM with wine reception in the Mayor's Parlour,
- talks on a wide range of topics,
- private tours of distinguished houses and museums,
- guided walks, pub tours and more...

All this for only £20 per year. Please join us!
